OBJECTIVE

Enthusiastic Computer Science student with a passion for frontend development, UI/UX design, and programming. Proficient in Java and JavaScript, with a strong foundation in web development. Strong analytical and problem-solving abilities with a keen interest in creating user-focused applications.

EDUCATION

Manakula Vinayagar Institute of Technology,

Oct 2022 – May 2026

B.Tech Computer Science & Engineering

- CGPA: 8.15 (Till 5th sem)

Lakshmi Chordia Memorial Matriculation Higher Secondary School Cuddalore.

June 2019 - Mar 2022

- SSLC - 90% , HSC - 85%

SKILLS

- Programming Languages: Python, JavaScript, Java.
- Frontend Development: HTML, CSS, React.js, Bootstrap.
- Database & Cloud: SQL, Firebase
- Developer Tools & Designing tools: Github, VS Code, Figma, Canva.
- Soft Skills: Problem solving, Communication, Proven ability to work collaboratively.

PROJECTS

Responsive E-Commerce Website for Organic Groceries

Repository Link

- Built an organic e-commerce platform with product listing, cart management, and checkout simulation. Integrated Firebase Authentication for secure login and Firestore for order history. Designed with Bootstrap for responsive layouts and deployed on Vercel. Focused on user-friendly navigation, and mobile adaptability.
- Tools Used: React.js | Bootstrap 5 | Firebase Authentication | Firebase Firestore.

Secure Communication Application

Repository Link

- Designed and developed a real-time secure messaging system using MQTT for lightweight communication and RSA encryption to ensure end-to-end message confidentiality. Built interactive GUI clients using Tkinter, supporting RSA key generation, encrypted messaging, and persistent chat history.
- Tools Used: Python | RSA Encryption | MQTT Protocol.

EXPERIENCE

Web Development Intern - Future Interns

- During my internship, I learned how to design and build complete web applications with modern tools. I gained practical knowledge in React.js, Bootstrap, and Firebase, focusing on responsive design, authentication, and deployment. This will strengthened my UI/UX skills and gave me confidence in developing real-world projects.

CERTIFICATION

- Python Programming – Information Technology Specialist Certification.
- UI/UX Design Workshop, By Vei Technology.

AREA OF INTEREST

- Database Management System.
- Computer Networks.
